# Youth Education Centre & Youth hostel

- We commit ourselves to contemporary topics and challenges relevant to young people
- Regarding the continuously changing and pluralizing society we offer juveniles possibility to take the change for experiments and orientation
- We assist youth in their search for identity, placement and affiliation

# Self-conception

## Concept

By self-discovering learning und creative forms of education we aim to a personalized competence-, experience- and knowledge enhancement. Through looking into political-social perspectives we encourage an interest for social commitment, self-determination and societal joint responsibility.

## Idea of man

Starting point of our actions is the tenor of Christianity. In practical terms we start with the precise life experiences of the juveniles to be able to work on their needs in a juvenile cultural context.

# Aims

## **Youths can participate in our program**

- to enhance their decision – making
- to strengthen their individual responsibility
- to make intercultural experiences
- to form their identity
- to order to self-development

## **by**

- enhancing their ability to cooperate and communicate
- getting a chance to create their lives
- experiencing foreign cultures
- questioning and challenging personal attitudes and positions

## **Volunteer and professionals use our choice of further education**

- to broaden their practical and conceptual competences
- to use the opportunity of technical interchange
- to qualify for the requirements of youth work
